

**mobuilding**

An Erasmus+ Policy Experimentation initiative that aims to develop a strategic and sustainable approach to support, expand and institutionalise apprenticeship mobility in the building sector across Europe.

It combines digital innovation, institutional cooperation and capacity-building to establish a coherent support system aligned with EU mobility objectives and industry standards.

## key resources

### **Inquiry into Apprentices' journey through institutional and structural challenges for mobility in the building sector.**

Investigation into what apprentices face in the building sector aimed at understanding the systemic, institutional, and personal factors that hinder mobility.

### **Action Plan to foster Apprenticeship Mobility in the Building Sector in Europe.**

A roadmap for promoting effective apprenticeships, supporting SMEs, engaging local authorities, strengthening social dialogue, and representing apprentices.

### **MOBUILDING European Platform for Apprenticeship Mobility in Building.**

Partnership and Networking Lounge, Capacity Building Space, Apprenticeship Mobility Management Tool, Accreditation, Validation and Recognition Centre.

### **Training Programme on Effective Management of Apprenticeship Mobility for the Building Sector.**

Building partnerships, consortia and networks in the building sector, preparing successful mobility experiences, managing and supporting the placement, maximising the benefits of the mobility experience, aligning apprenticeship mobility with the digital and green transition, supporting equity and inclusion, assuring quality and evaluation.

### **Quality Assurance Protocol for Apprenticeship Mobility.**

Designed to ensure the quality and effectiveness of the mobility programmes, addressed to VET providers and companies participating in apprenticeship programmes.

### **Policy Toolbox for Apprenticeship Mobility in the Building Sector in Europe.**

Collection of methods, approaches, and options for developing effective policies to promote Apprenticeship Mobility in the Building Sector in Europe.
